Improving Lives Globally

# Improving Lives Globally

Good Life® operates under the unique business philosophy that an imaginative idea can become a breakthrough invention. Our Design Team is consistently researching and investing in “smart” technology and high caliber materials to create inventive and dependable products. We refuse to cut corners and therefore spend more money each year ensuring you, our valued customer, can always expect a secure ordering system, prompt shipping methods and gracious customer service. At Good Life, we continue to set the standard for online industries by utilizing the most advanced SSL Security available (128 bit Extended Validation) as well as being an accredited business with the Better Business Bureau.

This product catalog includes Good Life's Bark Control products. If you're looking for a different type of item, please see our main company website at [www.GoodLifeCompany.com](http://www.GoodLifeCompany.com) to view our entire inventory of unique products. We manufacture and distribute items on a worldwide scale, but still like to think local and use our recognized name brand to sell direct to our loyal customers. Our mission is to create original, helpful inventions that enhance people's lives. All our products are exclusively designed with the environment and your family in mind—that is our guarantee.

If you have any questions, a customer service representative is available 24 hours a day, 7 days a week to help you. Please give us a call at: 1-800-657-8214.

Wondering if  
silence still exists?

### Dog Silencer Pro™

No electric shocks, no pain, no barking!

#### Works Great on Neighbor's Dogs, Single Dogs, Multiple Dogs

Act now to eliminate nuisance barking with the Dog Silencer Pro. This highly requested device humanely trains dogs to stop barking by emitting high-pitched sonic and ultrasonic sounds (inaudible to humans) in direct response to every bark. The proven effectiveness of the revolutionary Dog Silencer Pro places it at the top of the bark control industry. Sleep restfully at night and finally enjoy a peaceful day reading a book or playing with your kids.

**Standard Pack (sku-DSP) Includes:**

- Dog Silencer Pro, Remote Control, & Rain Jacket
- Battery (9v) or AC Powered

**Complete Pack (sku-DSPC) Includes:**

- Dog Silencer Pro, Remote Control, Rain Jacket, AC Adaptor, & 75 ft Extension
- Battery (9v) or AC Powered

### Ultimate Dog Silencer™

WORKS GREAT FOR LARGE OR SMALL DOGS

**Ultimate Dog Silencer™**  
(sku-UDS)

Unlike other anti-bark products that use electric shocks and painful methods to manage barking, the Ultimate Dog Silencer is a completely humane and safe training tool.

- Clear Definition Sensor™ Technology
- Adjustable Microphone Sensitivity
- DuraProof™ Coating
- 30-inch adjustable Nylon Collar
- Safe and Humane
- Portable and lightweight
- Adjustable Sound Frequency
- Water resistant

*No-Shock  
Bark Control  
for Dogs  
on The Go*

#### WHY THOUSANDS OF CUSTOMERS HAVE PURCHASED THE DOG SILENCER PRO

While other bark control products boast a 15 ft range, we have gone the extra distance and offer you with 50% more extension cord for a whopping 75 feet of extra maneuverability (extension cord sold separately). Don't have a power source? Is 75 feet not far enough? No problem. The Dog Silencer Pro is the only bark control device that can be operated on a single 9 volt battery. We give you the freedom and convenience to reach those hard-to-get places.

#### Dog-Off Pro Series (sku-DOP)

### Pest Repeller Ultimate® AT (Advanced Technology)

The Ultimate® AT is our newest and strongest pest repeller with tremendous ion-pumping power and louder ultrasonic sound waves that no pest can escape. Totally redesigned with a built-in plug on the side for outlet versatility, this revolutionary pest control unit turns your home or office into a fortress against pests. Unlike other repelling methods that expose your family and pets to harmful toxins, the Pest Repeller Ultimate® AT utilizes electronic technologies that are safe and environmentally friendly. The Ultimate® AT is perfect for your home or business, and is the most popular product among consumers worldwide

- High Pressure Ultrasonic Frequencies
- Second Generation Electro-Vibravave®
- Ultra-Ionic™ Pest Control Technology
- Bright Blue LED Nightlight
- A/C Pass Through (Extra Plug-in)

### The Guardian™

You Can Check Out The Rest, But This Is The Best!™ (sku-GRDA)

The Guardian™ by Good Life® is the industry's first indoor/outdoor pest repeller and carefully designed with a tremendous amount of research and investment. Unlike most pest repellers that have one attention-grabbing gimmick, The Guardian™ encompasses every conventional and innovative pest-repelling technique while staying completely affordable. This humane device emits different noise frequencies to ward off pests instead of using poisonous chemicals, making it the safest and most environmentally-friendly pest repeller on the market.

- Continuous or Motion Sensor Activated
- 5ft to 150ft Motion Sensor Range 5000sq ft Sound Distance
- Exclusive Keychain Remote (up to 75 ft)
- Safe and Humane
- Select a Pest™ Technology
- Strobe Light
- Adjustable Sensor Sensitivity
- Weather Resistant
- Battery or AC Powered (AC Adaptor sold separately)

Humanely Repel Pests without Dangerous Chemicals.

**I** have used Commercial Pest Control services in the past. I hated spending the money every month to kill my bugs, some of those services charge three, four, five hundred dollars a year, that is a lot of money. Your Pest Repellers work! I have two units and they have saved me a lot of money.
